It is with great sadness that I report the passing of Warren "Sonny" Hardin. Saturday, Dec.20. A massive stroke or heart attack stopped Sonny in his tracks and he died quickly while vacationing in French Lick, IN.

Sonny was a very good friend and my art show partner for the last five years. He was always willing to help anyone with anything at any time. As the 12th member of LAW he was one of the founding fathers and will be sorely missed.

Also know that a scholarship is being set up by the Hardin family to be given to a student each year from Corydon Central High School in Sonny's name. Sonny volunteered at least once a week at the school helping to

instruct students who belonged to the industrial arts club.
